

## APC-06 - Noiseless Patchcord

### Noiseless patch cables

- Set of 6 cables
- Very short audio connection cables in different colours
- 2 x 6.3 mm plug
- Mainly used for effect units to be fed through
- Also suitable for patch boxes
- Length: 0.3 m

## Technical data:

|                        |  |
|------------------------|--|
| Intended use           | : audio                                  |
| Connectors             | : 2 x 6.3 mm mono plug                   |
| Cable specification    | : -                                      |
| Length                 | : 0.3 m                                  |
| Spliced                | : -                                      |
| Colour                 | : blue, yellow, green, red, white, black |
| Internal conductor     | : -                                      |
