PRICE TIP

Price-performance: excellent

"The DJP-104USB provides a fast, dynamic and vibrant sound. It is of solid workmanship and allows you to decide the format and data rate during recordings."

OKEY 9-10/2007

"A clever idea: simply connect the turntable directly to the PC via USB cable. The digitalisation is very easy, convenient and quickly done."

Computerbild 19/2007

"With its three-year warranty, the unit was top of the list in the test."
